## Pricing & Memberships

### PRIVATE LESSONS

We are a premium private lesson provider in New York City. That means we have an incredibly selective process for hiring teachers, we pay our teachers more than most of our competitors, and we charge a bit more than most other schools.

Private lessons start with a *super-discounted* trial-only \$20 for a studio or online trial lesson, only \$50 for an in-home lesson, or a free consultation for a Suzuki lesson.

After that, standard 45 minute lessons online or in our studio are \$80 paid individually, but most students either get pay-as-you-go lesson 5-packs (\$71 each) or an annual membership (\$62.50 to 66 per lesson).

The annual lesson membership also includes complimentary admission to virtual (but not in-person) class programs.

(Since we offer in-home lessons, vocal lessons, Suzuki lessons, etc. of various lengths, scroll down for details on other types of lesson packages.)

### GROUP CLASSES AND ROCK BANDS

We offer highly effective, fun and affordable step-by-step group guitar classes at all levels with experienced and engaging teachers.

Group class memberships start with a *super-discounted* trial-only \$59 for a month of classes at any of our NYC locations or online in our virtual classrooms.

After that, memberships are \$149/month or \$1400/year.

Rock band memberships include regular rehearsals and showcases and a complimentary regular group class membership. Adult Rock Band memberships are \$329/mo (or \$249 for drummers). Kids and Teen Rock Band memberships are \$229/mo.
